REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: In the final rejection mailed January 9, 2006, claim 1 was only rejected under double patenting rejections. As argued by Applicant in the remarks filed July 13, 2006, the amendments made to the claims overcome the obviousness-type double patenting rejections base on all but one reference, i.e., U.S. Pat. 6,702,736. The Examiner agrees. Since a terminal disclaimer has been filed and recorded to overcome the obviousness-type double patenting rejection over U.S. Pat. 6,702,736, there are no outstanding rejections and claims 1 and 2 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John P. Leubecker whose telephone number is (571) 272-4769. The examiner can normally be reached on Monday through Friday, 6:00 AM to 2:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda C.M. Dvorak can be reached on (571) 272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
